

A proven 100% sovereign capability for Australia's Defence Industry.

NHN Group is an Australian veteran-owned business providing tailored client services and solutions specialising in security, cleaning, investigations, and labour hire. We service clients across corporate, industrial and government sectors, and we understand the requirements of working with Defence personnel, Defence Industry suppliers, and at Defence-related locations.

- // 100% Australian Veteran Owned Business committed to transparent & ethical delivery of security & general labour
- // Proud Hunter based employer of over 200 local staff, with a focus on staff skills & training
- // Proven track record responding to threats to infrastructure & operations, including activist response
- // Almost 15 years of delivery with blue chip corporates.

Our Mission

- // To conduct our business in a socially responsible and ethical manner
- // To respect the law, support human rights, and protect the environment
- // To go beyond basic legal compliance, where safety practices and providing quality service is a state of mind.

Our Commitment

- // To promote responsible best practice across human rights, labour practices, the environment, economic viability aspects, fair operating practices, consumer interest, community involvement, and other areas of sustainable development
- // To provide a diverse and inclusive workforce and value the capability and experience that a wide variety of employees bring to the organisation.

Security Services

We never take safety for granted and provide the best possible protection to those who support the security of our nation.

Our team comprises of experts in the field, including defence-trained security guards, supported by an internal intelligence capability who are constantly working to stay ahead of potential threats. Our professionals have the required security clearances and are equipped with the knowledge, skills, and tools to identify, prevent, and respond to any security concerns.

Other NHN Group Services

Investigation and Surveillance Solutions

NHN Group offers services across factual investigations, surveillance, and skip tracing for missing persons. NHN Group is an iCare Panel provider, providing investigation services for workers compensation claims.

Our team of licensed investigators, and experienced management, reinforces our ability to gather evidence and deliver objective results. The professional approach used by our team, combined with our integrity, has built strong relationships with our clients, who know we conduct our activities with the highest discretion and confidentiality.

Labour Hire

NHN Group provides short-term, long-term, temporary, or permanent labour hire solutions for a wide range of sectors and industries including government and large industrial clients. Our recruitment services provide a streamlined process for sourcing and integrating labour into your business. We understand the complexities of managing a diverse workforce and can quickly determine the right individual to fit any role.
