Cejn Australia Pty Limited

CEJN is a leading global niche company located in Sweden, with a local presence in Australia.

Summary

We provide the global market with high performance quick connect couplings; hose reels; & supporting fittings such as blow guns; & Ultra High Pressure hose assemblies for hydraulics, pneumatics, fluids and gases.

We offer engineering solutions that are designed in

cooperation with our customers. Our strength lies in our intelligent technical solutions, together with quality and efficiency. Our products are supplied to OEM's such as Airbus in Europe; to Underground operators supporting the Australian mining industry.

Description

CEJN is a leading global niche company located in Sweden, with a local presence in Australia. We provide innovative quick connect solutions, adding value and productivity to customer applications and processes.

CEJN is committed to high quality products with focus on performance, safety and environment, secured through its own development and production in a spirit of continuous improvements of processes, technologies and products.

Our products are used on most market segments including:

1. Mining: HP hose assemblies & our safety quick connections
2. Oil & Gas: HP hose assemblies & our safety quick connections
3. Food & Beverage: Hose reels; air & wash guns;
4. Wind farms: HP hose assemblies & our safety quick connections

Cejn Australia Pty Limited

Industries Served

- Automotive
- Clean Energy
- Construction & Engineering
- Defence
- Manufacturing
- Mining
- Oil, Gas & Energy
- Rail
- Water

Products & Services

- Pneumatic & Hydraulic Coupling supply.
- Manufacture HP hydraulic hose assemblies from 700bar to 4000bar.

Facilities & Equipment

- Workshop & warehouse based in Seven Hills Sydney NSW.
- Crimping of Hoses
- High pressure testing
