## Area of Capability

<p style="text-align: center;"><b>PRODUCTS</b></p> <p>Example: Portable Operations Centre (POC)</p> <ul style="list-style-type: none"> <li>• Containerised Housing</li> <li>• Communications Infrastructure</li> <li>• Integrated Technologies</li> <li>• Electrical Generator</li> <li>• Power Distribution system</li> <li>• Stand Alone Power Systems (SAP'S)</li> <li>• Information Technology</li> <li>• Software Solutions</li> <li>• Manufacturing, Design and Technical Capabilities</li> <li>• Manufacturing capabilities across Australia</li> </ul>	<p style="text-align: center;"><b>KEY CUSTOMERS</b></p> <ul style="list-style-type: none"> <li>• ASC (RAN Collins Submarines)</li> <li>• Thales</li> <li>• BAE Systems</li> <li>• Defence Maintenance Management Pty Ltd</li> <li>• Babcock New Zealand Ltd</li> <li>• Defence Science &amp; Technology Group</li> <li>• RFD Australia/Survitec Group</li> <li>• Trojan Fire</li> <li>• Safran</li> <li>• RAAF Williamtown</li> <li>• HMAS Cerberus fire training project</li> <li>• RAAF Richmond Depletion and Control System</li> </ul>
<p style="text-align: center;"><b>CAPABILITIES</b></p> <ul style="list-style-type: none"> <li>• We offer services and solutions from front end engineering and design for specialist solar hybrid installations through to HV services and power distribution equipment for balance of plant</li> <li>• Containerised or bespoke Mobile Switchroom &amp; Communications Centres to temporary power systems, engineering modelling and HV field service</li> <li>• We Design Build and Manufacture to be fit for purpose</li> </ul> <p style="text-align: center;"><b>DISCRIMINATORS</b></p> <ul style="list-style-type: none"> <li>• We work in partnership with our customers, lending our electrical engineering expertise to their operational challenges. From the most complex electrical infrastructure to the most hazardous industrial environments, we engineer solutions which focus on whole of life optimisation.</li> <li>• We back this up with inhouse manufacturing, commissioning, testing, electrical engineering and maintenance support teams.</li> <li>• We are guided by our Core values- Innovation is one of those values</li> </ul>	<p style="text-align: center;"><b>QUALITY STANDARDS AND OTHER ACCREDITATIONS</b></p> <ul style="list-style-type: none"> <li>• (AS/NZS 4801, OHSAS 18001) Work Health and Safety</li> <li>• (AS/NZS 9001) Quality Management System</li> <li>• (AS/NZS 14001) Environmental Management System</li> <li>• Recognised Service Facilities under AS3800</li> <li>• Hazardous Area Schemes such as IECEx, ANZEx</li> <li>• CAL Accreditation in the Northern Territory</li> </ul> <p style="text-align: center;"><b>CONTACT/ADDRESS DETAILS</b></p> <p>Contact address:</p> <p>Rohit Sandlesh          Email: <a href="mailto:customerservice@ampcontrolgroup.com">customerservice@ampcontrolgroup.com</a>          Website: ampcontrolgroup.com          Address: 7 Billbrooke Cl, Cameron Park NSW 2285          Phone: +61 2 4903 4800</p>
